Are you looking for a great way to gain recognition for your company and support ABC? Then be an ABC Major Partner!

Through the ABC Major Partner Program, you have the opportunity to commit to becoming a Major Partner either at the time you make your annual dues investment, or early in 2010. By making the commitment early in the year you help guarantee year-long support of ABC. In return you gain tremendous visibility for your company all year long!

Each level of partnership comes with its own benefits, including complimentary registration to events, recognition at all events, advertising and so forth. Plus, you have the added benefit of knowing that your support is making ABC stronger than ever!
