

# NAWIC featuring BLOCK-KIDS

## DEVELOPING THE CONSTRUCTION INDUSTRY'S FUTURE

A nationwide block competition called BLOCK KIDS is organized annually by the Spokane Chapter #143 of the National Association of Women in Construction (NAWIC) and is in collaboration with Associated General Contractors, Associated Builders and Contractors, and the Home Builders Association to spark the interest of elementary age boys and girls in some aspect of the construction industry as a future career. The next competition will be held at Lidgerwood Elementary School on Saturday, May 5, 2018, from 9:00 a.m. to 11:00 a.m.

The competition consists of every child (K through 6<sup>th</sup> grade) being given 100 blocks, plus string, a rock and a piece of foil. They have one hour to use their incredible imaginations to build a project which relates to the construction industry. Judges from the construction industry have the task of scoring all of the very creative projects.

The NAWIC Spokane Chapter is now seeking companies within our local industry to help sponsor up to 200 children for the event. **Sponsorship for each child is \$25.00.** Your sponsorship pledge will provide each child with building materials, competition souvenirs, prizes, and most importantly perhaps the desire to become a part of the construction industry. Sponsors will receive a letter of appreciation describing the results of the competition.

Below is the registration form. You can find more information on our website link at: [www.nawicspokane.com](http://www.nawicspokane.com) or email Sarah Cottam directly with questions at [scottam@ipcabc.org](mailto:scottam@ipcabc.org); **Remember, Together Everyone Achieves More.**

Please send this form to:
