

**HARDHATS
HAMMERS
HOTDOGS**

10th Annual Hard Hats, Hammers, & Hot Dogs

Skilled Trade High School Career Day

April 20th, 2018 - KTEC & CTE - 6838 & 7064 W. Lancaster Road,
Rathdrum, ID

Dear Potential Sponsor/Participant,

We are asking for your involvement to grow the next workforce by sponsoring and/or participating in the 10th Annual **Hard Hats, Hammers & Hot Dogs** on Friday, April 20th, 2018 at the Kootenai Technical Education Campus (KTEC) and North Idaho College Parker Technical Education Center (CTE) in Rathdrum, Idaho.

The purpose of this career day is to engage students and educate them about the career opportunities within skilled trade industries. Students get the opportunity to talk with local business owners to learn about the many different careers our community has to offer. If you choose to participate/sponsor, we encourage you to be creative in providing exciting, inspiring information or demonstrations that will spark students' interest and actively engage them.

This year, we will be teaming up with North Idaho College Parker Technical Education Center again. We expect approximately 500 students to attend our event. In addition to the business exhibits, we will also provide students with lunch and goody bags. We know that this event is a big commitment and appreciate any support you are able to offer.

If you wish to sponsor and/or participate in this event, please complete the attached registration form and return it to the address indicated on the form **no later than February 21st, 2018**. For questions or if you would like to donate any lunch or goody bag items, please **contact Colby at (208) 712-4733**.

We look forward to your contributions and participation in this great event!
