

Do you hear that?

That's opportunity calling, and we have the job that speaks to you!

Express Employment professionals has a few exciting positions for Washington State Licensed 01 Journeyman Electricians.

What is required you ask? First and foremost, those who have experience in both residential and commercial projects are a must. On top of this experience, a wonderful attitude and team player personality are keys to being successful. If you have all of this and a bag of chips come and work for the best!

Please contact Express Employment Professionals at 509-747-6011 for immediate consideration!
